

The Adoption Process: Protecting the Child

Every group member must complete this organizer. Work together to find the information from the recommended sources. Discuss your findings, so that all group members have a clear understanding of the facts. Record the sources you used on the Record of Sources page provided.

Investigate:	The Facts:
Why are so many children from China offered for international adoption?	→ → → →
What motivates Canadians to adopt children from China?	→ → → →

<p>What procedures must prospective Canadian parents go through before they may adopt? Why is this necessary?</p>	<p>→</p> <p>→</p> <p>→</p> <p>→</p>
<p>What measures does the Canadian government take to ensure that the rights of children who have been adopted are protected?</p>	<p>→</p> <p>→</p> <p>→</p> <p>→</p>
<p>What measures does the government of China take to ensure that children offered for adoption are properly cared for and that their rights are protected?</p>	<p>→</p> <p>→</p> <p>→</p> <p>→</p>
