

Record of WebQuest Sources

When conducting research, it is crucial to keep a record of all of your sources. Use this form to record relevant data about each of your web, online reference or print sources. Note that different kinds of information are required, depending on the type of resource used.

Project Title:

Online (Worldwide Web) Sources	
Author(s) and/or Organization:	
Title of Website:	
Web Address (URL):	
Date Accessed:	Copyright Date:
Author(s) and/or Organization:	
Title of Website:	
Web Address (URL):	
Date Accessed:	Copyright Date:
