

Thinking About My Library

How do the school library and the teacher-librarian help me?

| The school library and my teacher-librarian helps me to: | Very, very helpful | Quite helpful | A little bit helpful | Not helpful for me |
|---|--------------------|---------------|----------------------|--------------------|
| find things I like to read | | | | |
| decide on a good topic for research | | | | |
| get organized for research | | | | |
| understand how to find things in the library | | | | |
| locate information I want or need in books | | | | |
| locate information I want or need on the internet | | | | |
| learn about other places I can find information (outside my school) | | | | |
| sort the information I find | | | | |
| use my own ideas | | | | |
| use computers to make my work better | | | | |
| get better marks on projects | | | | |
| improve my work habits | | | | |
